TRUCK-LITE LED HEADLIGHTS

COLOR & VISIBILITY

Truck-Lite LED headlights provide a crisp, bright white light closer to the color of daylight. This, combined with their wide, even beam pattern makes for a safer, more enjoyable driving experience. See more. Go further.

STRENGTH & DURABILITY

Built using solid-state technology and military-grade components, Truck-Lite LED headlights keep on shining bright through the toughest conditions.

ENERGY EFFICIENT

Truck-Lite LED headlights draw less power than halogen headlights while still offering increased visibility. This energy savings translates to more power for other vehicle requirements.

LOWER MAINTENANCE COSTS

Fewer replacements means more savings. Truck-Lite's LED solid-state technology, you won't find yourself in constant need of bulbs and filaments. LED systems have the lowest maintenance costs of any lighting technology.

MADE IN USA

All Truck-Lite LED headlights are proudly made right here in the USA of domestic and imported materials.
